PDF Forensics Course - Lab 02: Metadata

This document contains deliberate metadata anomalies.

Your task is to identify and document each discrepancy.

Document Claims:

Prepared by: J. Smith, Accounts Department

Created: 1 March 2025

Software: Microsoft Word 2019

Questions to answer:

1. Does the Creator field match the claimed software?
2. Does the Info dictionary match the XMP stream?
3. Is the ModDate logically consistent with CreationDate?
4. What does the Producer field reveal about actual software?
